# Our Mission

## Mission

**As California's first CDFI**, our mission is to make a positive and sustainable economic impact on our community as a committed and resourceful financial partner to local businesses, creative professionals, and nonprofit organizations.

## Values

We are a relationship business bank that is committed to the individual success of our clients and the long term sustainability of our communities. We empower and trust our team to deliver the very best service that respects the passion and commitment of every client we work with.

# 25 YEARS OF IMPACT

Inspired by a vision of socially responsible banking, CBB was founded as California's first FDIC insured bank to be certified as a CDFI by the US Treasury.
