Irvine, CA (July 1, 2019) – The California Community Banking Network (CCBN) has named **Corrigan & Company** as a Preferred Service Provider, giving CCBN members access to exclusive insurance products, unique discounts and benefits for employee and executive benefits, retirement plans, and deferred compensation programs.

“Corrigan & Company offers customizable programs and benefits to meet each bank’s needs and we are pleased to partner with such a respected provider in the financial services industry,” said David Haithcock CCBN President and CEO. “Our new partnership offers community banks enhanced access to valuable Corrigan & Company products.”

CCBN Members will receive:

1. In states where it is legal to do so, Corrigan & Company will rebate to CCBN members 5% of any first-year insurance commissions they are paid pursuant to the funding of executive benefits plans.
2. Corrigan and Company has exclusive access to products and benefit designs that other BOLI vendors don’t, and participation does not require a CCBN member to terminate their existing adviser relationship. Corrigan and Company can help administer or hand off any plans created to the bank’s existing administrative partner.
3. Customized benefit plan designs done by in-house Counsel and provided at no cost to the bank, if insurance is purchased.
