CCBN Partners with OnCourse Learning Financial Services

Irvine, CA (Oct. 1, 2019) – The California Community Banking Network (CCBN) has announced today a partnership with [OnCourse Learning Financial Services](#), giving CCBN members a comprehensive selection of online training courses designed to ensure that employees are receiving the most up-to-date and accurate training in the industry.

“With this alliance with OnCourse Learning Financial Services, our bankers will now have access to online courses and case studies in a wide variety of formats, including engaging videos on some of the most critical topics in the financial services industry,” said SVP of Member Services at CCBN John Lingvall.

CCBN Members will receive a 15% discount for all current OnCourse Learning Financial Services Courses.

The breadth of **OnCourse Learning Financial Services** courses supports regulatory compliance, financial and professional skills, case studies, consultative selling, director-level training, refresher courses, and ICB-approved continuing education. With over 600 courses and growing, OnCourse Learning Financial Services is the source for convenient and user-friendly training for CCBN members.

Learn more about OnCourse Learning Financial Services by visiting them online at [OnCourse Learning Financial Services](#) or contact Craig Johnson, Business Development Manager at 803-238-1010 or cjohnson@oncourselearning.com.

About CCBN:

The California Community Banking Network (CCBN) represents thousands of community bankers in California. CCBN designs educational programs, promotes connectivity among professional peers and advances legislative issues through boutique services that cultivate a supportive network for community bankers in California.
