### **Michael Bunda**

Vice President Business Development

Reliable IT Banking

Michael Bunda is the Vice President of Business Development for RIT Banking with over 15 years of professional and executive level sales. Mike, with RIT Banking, specializes in Banking IT Professional Services, Data Security, and regulatory compliance. Mike regularly attends national training sessions at the ICBA and various state banking organizations learning new technology trends and banking best practices which he regularly passes on to bank executives. Mike is a very strong advocate for the community banking industry, especially while the industry undergoing uncertainty in the new digital age.

Mike has a BS Business/Marketing from Western Governors University, BA Organizational Management from Azusa Pacific University, and currently working on his MBA. When not working, Mike enjoys golf, the beach, and finding unique SoCal eateries. Mike has been married for 25 years to his wife, Mary Anne. They have three children.
